

APPOINTMENT OF FINANCIAL ADVISOR SCOTIABANK EUROPE PLC

With the advancement of the group's Malmyzh Project, IG Copper LLC (the Company) is pleased to announce it has appointed Scotiabank Europe PLC (Scotiabank) as its exclusive financial advisor to assist the Company in undertaking a strategic review on the future directions and options for this exciting project.

The Company is examining all options that may be available for the development of Malmyzh, with a particular emphasis on financing and/or identifying suitable joint venture partners or owners.

"We consider Scotiabank the ideal advisors" said Thomas Bowens, CEO and President of IG Copper. "Their breadth of their experience and knowledge is most suitable for the world class attributes of the Malmyzh Project".
